Dear Dave –

On behalf of Coats for Kids, thank you for once again stepping up in a really big way with your generous donation of \$20,000 to the September 2018 Coats for Kids Raffle.

As you know, the week of September 10 was a huge one for Coats for Kids. Thanks to the efforts of Mike Trivisonno, the Triv Show on WTAM 1100, yourself and other very generous partners, a record-setting amount of money was raised for Coats for Kids in just that one week.

The week's events – the 2018 Coats for Kids Raffle, Triv's All In Final benefit shows and related efforts – combined to raise more than \$460,000.

Incredible! We could not do what we do without the support of great individuals and companies like you and yours who step up to help over and over again.

Thanks to you, Mortach Financial, and many other great partners, Coats for Kids is now well-positioned to continue to help children in need in northeast Ohio stay warm during our cold winters for years to come.

As always, it was a pleasure to work with you on these efforts. Thank you again for all you have done, and continue to do, to support Coats for Kids.

Sincerely,
